Dear CONTACT:

I am writing to you on behalf of the Indiana Association of FSA County Office Employees (IASCOE), an affiliation of the National Association of County Office Employees (NASCOE). Our state association is made up of 100% voluntary membership. Indiana's association is hosting the 62nd NASCOE National Convention, a four-day event starting August 4, 2021. This event will consist of Farm Service Agency (FSA) employees and members from all over the country converging in Fort Wayne to learn more about our agency and provide customer service to the American farmer. This event will allow people to meet fellow FSA employees from other states, have one-on-one time with directors/policy makers from Washington D.C, and learn more about the rules and regulations guiding our agency.

We are asking if you, COMPANY NAME, would be willing to help us. Would you be interested in sponsoring a break or donating any items that could be used for door prizes, scholarship auction items, or welcome bag items (approx. 400)? With members attending from around the United States this would be a great way to promote your company name while supporting our association! Anything showcasing what this great State of Indiana has to offer is greatly appreciated.

I would be happy to discuss the opportunities we have available with you. If you have any questions, comments, or would like more information please do not hesitate to contact me at nascoenationalconvention@gmail.com.

Thank you for your time and any contributions you are willing to donate. Best wishes from the members of IASCOE!

Sincerely,

Christopher Hare
State President
