National Convention Testimony

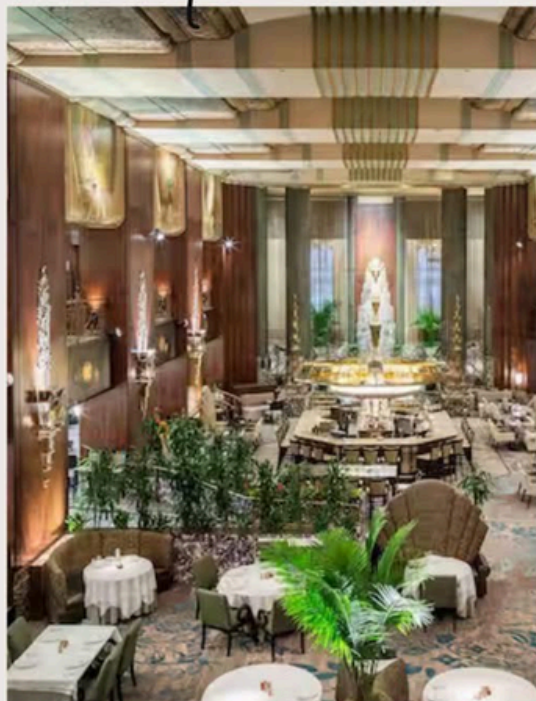

It was my first time to attend the NASCOE National Convention and it was very informative. It was great to see members all across the states. Everyone was very passionate and wanted to see the same goals across the state which is to provide our farmers with the most out of our programs fast and efficient and have our offices fully staffed so we can wait on the producers in person. As a first timer they welcomed me and had an ice breaker activity for us to help us meet everyone by having them sign my booklet. It was nice to put faces to names that I have seen on emails and notices. I got to meet Bill Beam our FSA Administrator and Steve Peterson it was nice to hear them speak on behalf of FSA and what is happening currently and coming in the future with our programs. I got to listen to Hunter Moorehead on what he has heard at the White House on the Big Beautiful Bill and how It will affect FSA. It was a great opportunity to go and be a delegate and see how the voting process works since it was an election year for the officers. I would recommend anyone that works in our Agency to be able to go to one of these conventions to see all the great things that are being done in the organization.

There is never an easy way to say goodbye, so I guess I'll just say it...

It is with a heavy heart that I have decided to step down from publicity chair. I'm sure you have all noticed the lack of IASCOE Insiders being published and for that I apologize. Life, as you all know, gets crazy and busy. My husband and I are currently expecting our first child, and I didn't feel like I would be able to do both. I will gladly help whoever takes over this position. If you are interested in becoming publicity chair, please contact Chase Blevins at chaseblevins1@gmail.com
